

TRUE BROTHERHOOD FOR PEACE
Batangas State University
Batangas City

Greetings!

We wish to inform you that **True Brotherhood for Peace** is opening its door to new qualified students in the field of Engineering. We are observing you for quite sometime and our findings are somehow satisfactory. We therefore invite you to please come on (day, mm dd yy) at exactly (time) in the morning. We will conduct an orientation seminar and we will convene in front of the Batangas State University main campus.

True Brotherhood for Peace is composed of engineers, engineering graduates and students of BSU. The foundation aims “to develop and enrich the ability of an individual.”

As far as the organization is concerned, we believe that you should be a member of this group. Your quality and your performance as a student had made it for you to be one of our choices. We should be grateful if you could grant this invitation.

Hoping for your favorable action regarding this matter.

Very truly yours,

President
